Aleppo Shriners of Wilmington Tailor Made Italy

APRIL 27-MAY 5, 2018

From the sights and sounds of Venice, to the Amalfi coast and all of the splendor of Italy between. Florence, San Gimignano, Rome, Vatican City, the Sistine Chapel and Mount Vesuvius are the highlights of this trip.

BEGIN YOUR GRAND TOUR WITH CANNAREGGIO! Cannareggio is the most "Venetian" quarter of Venice. You will spend two days enjoying the sights and sounds of Venice before boarding motorlaunch to the mainland, where you will meet your bus and drive to Tuscany, while enjoying the beautiful countryside along the way. Upon arrival in Florence, enjoy a guided panoramic walk through this Renaissance town before continuing on to your hotel for the next two evenings. Then off to discover the magic of San Gimignano, a small town rich in works of art. Thirteen towers dominate the majestic skyline, which has remained unchanged since the Middle Ages. The group will enjoy a wine tasting together of the famous Vernaccia di San Gimignano wine before returning to the hotel for dinner. Then off to Rome the eternal city, and Vatican city and the Sistine Chapel where you will admire Michelangelo's recently restored frescoes which have brought back to life his original vibrant, yet subtle colors. The finale of the trip is the Amalfi coast, Sorrento and the ruins of Pompeii at the foot of Mount Vesuvius. We will then head back to Rome for the night before saying a fond farewell to Italia.
