

Aleppo Ladies Luncheon

Save the Date:

Sunday, September 10, 2017

It is often quoted that behind every great man is a great woman. It is a fact that behind the great work done by the Aleppo Shrine, there are also dedicated women quietly working behind the scenes to support the organization.

Please plan to join **Joanne Mason** and the Aleppo Divan women on Sunday, September 10th at 11:30 in the Fez Room for a catered luncheon to support the important mission of the Aleppo Shriners Children's Transportation Fund and expand awareness of the great work done by the Shriners Hospital.

Details will be available at a later date.
